Dear Colleague,

I am happy to bring it to your kind attention that the **35th Group Meeting of AICRP on Spices will be organized during October 15-17, 2024 (Pre-workshop meeting on 14th October, 4.00 PM)** at CCS Haryana Agricultural University, Hisar, under the aegis of Indian Council of Agricultural Research, New Delhi to review the work done on Spices. I am giving you the basic information about this beautiful pioneer Institution of Agricultural Research as well as Performa pertaining to know about your participation, date and time of arrival and departure *etc.* to make your stay at this beautiful campus as memorable one.

About City-Hisar

Once known as Hisar-e-Firoza by its founder ruler Firoz Shah Tughlaq in the year 1354 AD with several historical buildings such as fort, palaces, tombs, mosques, gates and gardens. Some of the monuments are still in good state of preservation. Several educational institutions including reputed universities like CCS Haryana Agricultural University, Guru Jambheshwar University of Science & Technology and Lala Lajpat Rai University of Veterinary & Animal Sciences are established in Hisar apart from ICAR Institutes like CIRB, NRC Equines and Northern Region Farm Machinery Training & Testing Institute. Around the Hisar city, ancient site of Rakhigarhi, one of the known biggest townships of Harappan civilization on Indian sub-continent, and ancient site of Agroha, traditionally believed to be the Capital of the legendry king Maharaja Agrasena can be visited. Ever since, the Government's positive policies have played a vital role in the economic development of the city. The industrial policy of the government has attracted large number of entrepreneurs and presently it is also known as the Steel City of Haryana.

Climate

The climate of Hisar owes to its continental location on the outer margins of the south-west (SW) monsoon region. It has tropical monsoonal climate and is characterized as arid type of climate. The weather at Hisar (Haryana) during October will be remain pleasant with maximum temperature between 25-30°C and minimum temperature from 15-20° C.

How to reach

Hisar is well connected with Delhi by Bus service from ISBT (Kashmiri Gate), at an interval of 15-20 minutes during day time and at an interval of 45 minutes to 1 hour from 10.00 P.M. to 2.30 A.M. It is on the way to buses going from ISBT (Kashmiri Gate) to Fatehabad, Sirsa, Dabwali, Ganganagar, etc. via Rohtak. Hisar is also connected by train from Jaipur, Ludhiana, Rewari and Delhi but the number of trains is limited. The details of the trains coming to Hisar from Delhi are as follows.
